i-READY READING AND MATH

WHAT IS i-READY? Part 1

i-Ready Reading and Math is a comprehensive assessment and instruction program that empowers educators with the resources they need to help all students succeed.

➔ Delivers online lessons that provide <u>tailored instruction</u> and <u>practice</u> for each student to accelerate their learning and growth.

➔ Supports teachers with <u>in the moment resources</u> for remediation and reteaching at individualized, small groups, and whole class levels of instruction.

➔ Provides user friendly dashboards and clear reports with <u>actionable data</u> that give teachers a foundational understanding of students' strengths and areas of need.

➔ Enables educators to confidently determine each students' <u>on-grade level proficiency</u> based on state and national standards.

# WHAT IS i-READY?

i-Ready Reading and Math Assessments

➔ Takes place 3 times a year (September, January, May) and in between Growth Monitoring (November and March)

➔ Illuminates student learning through research-backed measures of performance, including an adaptive Diagnostic, Growth Monitoring, and Standards Mastery.

➔ Pinpoint students' strengths and what they need to work on to reach (or exceed) grade-level proficiency.

➔ Access an easy-to-use dashboard and robust reports to monitor student growth and inform instruction.

➔ Seamlessly connect assessment results to *i-Ready Learning* instructional resources.

➔ Assesses 5 different domains in Reading (Phonemic Awareness, Phonics, High Frequency Words, Vocabulary, and Comprehension - Literature and Informational Texts).

➔ Assesses 4 different domains in Math (Numbers and Operations, Algebra and Algebraic Thinking, Measurement and Data, and Geometry).

i-READY LESSONS INSTRUCTIONAL USAGE

Tier 1					
Recommended Weekly Instructional Usage Time and Pass Rate					
Kindergarten		On Grade Level	1 Grade Level Below	45 Min Weekly	
1st Grade	On Grade Level	1 Grade Level Below	2 Grade Levels Below	45 Min Weekly	Pass 75% of lessons completed
2-5th Grade	On Grade Level	1 Grade Level Below	2 Grade Levels Below	45 Min Weekly	
6-8th Grade	On Grade Level	1 Grade Level Below	2 Grade Level Below	45 Min Weekly	

All students complete only 45 minutes a week in each subject.

A participation/effort grade may be given based on the student's usage and passing rate

An academic grade may be given for an "on grade level" Teacher Assigned lesson (bluebutton).

WHY IS i-READY IMPORTANT?

➜ It will help your student's teacher(s) determine your student's needs, personalize their learning, and monitor progress throughout the school year.

➜ i-Ready allows your child's teacher(s) to meet exactly where they are and provides data to increase your child's learning gains.

➜ It is a personalized instruction that provides your child with lessons based on their individual skill level and needs, so your child can learn at a pace that is just right for them.

➜ These lessons are fun and interactive to keep your child engaged as they learn.

Winter Recess Home Learning Packet/i-Ready/Imagine Learning

Students must continue their learning and complete home learning assignments

➔ Winter Recess Packets **OR** i-Ready teacher assigned lessons.

➔ Combination of both: Winter packet sand i-Ready/Imagine Language & Literacy assignments.

➔ Students with no devices at home will complete a Winter Recess Packet.

➔ Students will be given a grade for the completed Winter Recess Packet as well as the i-Ready Teacher Assigned lessons/Imagine Language & Literacy

WHAT IS IMAGINE Language & Literacy?

Imagine Language & Literacy

➜ Imagine Language & Literacy is an adaptive learning solution that accelerates reading and language proficiency for students in grades K–5. Designed to supplement core literacy instruction, Imagine Language & Literacy provides instruction and practice in all four domains of literacy—reading, writing, listening, and speaking.

WHAT IS IMAGINE Math?

Imagine Math

➔ Imagine Math PreK–2 was purposely designed to foster early learners' innate curiosity and interest in mathematics. Students find themselves in a virtual world much like their real-world, enabling them to connect the mathematics they are learning to their daily lives.

➔ Imagine Math PreK–2 inspires a lifelong love of math within a storybook learning environment with lovable and culturally-relevant characters.

➔ Imagine Math 3+ builds problem-solving skills and conceptual understanding with support from an online, live, certified, bilingual teacher as well as:

- ◆ Personalized learning driven by the Quantile® Framework
- ◆ First language support for English learners
- ◆ On-demand instruction by live, certified, math teachers
- ◆ Scaffolded instruction for all learners
- ◆ Motivational system that develops confident thinkers
- ◆ Development of college- and career-readiness skills

WHO DOES IMAGINE LEARNING?

Imagine Language & Literacy

➔ Is for ==ALL== **ESOL 1** students in grades K-5 (regardless of time in the ESOL program).

Imagine Math

➔ Is for ==ALL== **ESOL levels 1-4** in grades K-5.

ALL ESOL students must take the i-Ready reading and math assessments.
