WE ARE

Tuition-free MDCPS Charter School serving grades K-5

Mission:

The Mission of Alpha Charter of Excellence is to inspire all children to a life-long love of learning, excellence and academic success by maximizing student achievement through service learning activities and projects in a safe, nurturing and a Microsociety environment.

Vision:

Vision is to provide a quality education to all students and prepare them to compete in the global economy through the collaborative efforts of administrators, teachers, parents and the community.

Let's

Get

Excited!
